SCHEDULES

An Act of the County Assembly of Bungoma to provide for a legal framework for establishment of a Climate Change Fund to finance, facilitate and coordinate county climate change mitigation and adaptation programmes; and for connected purposes

ENACTED by the County Assembly of Bungoma as follows:-

PART I - PRELIMINARY

Short Title 1. This Act may be cited as the Bungoma County Climate Change Fund Act, 2022.

Interpretation 2. In this Act unless the context otherwise requires:

"adaptation" means adjustment in natural or human systems in response to actual or expected climatic stimuli or their effects to moderate harm or exploit beneficial opportunities;

"adaptive capacity" means the ability of a system to adapt to the impacts, cope with the consequences, minimize potential damages, or take advantage of opportunities offered by climate change or climate variability;

"authority" means the National Environment Management Authority established by the Environmental Management and Coordination Act, 1999 as amended by the Environmental Management and Coordination (Amendment) Act, 2015;

"climate change" means a change in the climate system which is caused by significant changes in the concentration of greenhouse gases as a consequence of human activities and which is in addition to natural climate change that has been observed during a considerable period;

"constitution" means the Constitution of Kenya, 2010;

"county" means Bungoma County;

"county assembly" means the County Assembly of Bungoma;

“county government” means the County Government of Bungoma;

“environment” has the meaning assigned to it in section 2 of the Environmental Management and Coordination Act 1999;

“executive committee member” means the County Executive Committee Member for the time being responsible for matters of climate change;

“fund” means the County Climate Change Fund established under part II of this Act;

“fund administrator” means the Administrator of the County Climate Change Fund established under part II of this Act;

“governor” means the Governor of Bungoma County;

“mitigation” means preventing, reducing or slowing down the increase of atmospheric greenhouse gas concentrations by limiting current or future emissions and enhancing potential sinks for greenhouse gases;

“planning committee” means the County Climate Change Planning Committee established under section 3 of this Act;

“resilience” means the ability of a social, economic or ecological system to absorb disturbances while retaining the same basic structure and ways of functioning, the capacity for self-organisation and the capacity to adapt to stress and change;

“steering committee” means the County Climate Change Steering Committee established under section 4 of this Act;

“vulnerability” means the conditions determined by physical, social, economic and environmental factors or processes, which increase the susceptibility of a system to the impact of hazards;

“ward planning committee” means the Ward Climate Change Planning Committee established under section 3 of this Act;

Objects and Purpose

3. The object of this Act is to create a Fund in the County for the purpose of facilitating Climate Finance for:-
- a) initiating and coordinating financing of climate change adaptation and mitigation projects at the community level;
 - b) establishing Climate Finance Mechanisms;
 - c) facilitating community-initiated climate change adaptation and mitigation projects;
 - d) coordinating collection and dissemination of climate change information to the public to create awareness and preparedness;
 - e) seeking and receiving grants from International Entities, the National and County government, and development partners;
 - f) coordinating support from National Government Climate Change Policy and legislative framework;
 - g) facilitating and planning for climate change adaptation and mitigation in the County planning and budgetary framework;
 - h) implementing any relevant obligations of the State under international agreements related to climate change; and
 - i) requiring lead agencies including government, departments, private sector and individual citizens to undertake their own respective roles in climate change response measures.

PART II – ESTABLISHMENT AND ADMINISTRATION OF THE FUND

Establishment of the Fund

4(1) There is hereby established a fund to be known as the Bungoma County Climate Change Fund which shall provide funding for priority climate change actions and interventions provided for in the Climate Finance Framework established under this Act.

(2) The Fund shall be domiciled in the Department responsible for Climate Change Affairs administered by the steering committee and managed by the fund administrator designated by the Executive Committee member for the time being responsible for matters of County Treasury.

(3) The moneys in the Fund shall be disbursed as follows:-

- a) Not less than three percent of the money

available in the Fund shall be allocated for administrative costs as follows:-

- I. Thirty percent of the administrative costs shall be assigned to the administrative costs of the County Planning Committee; and
 - II. Seventy percent of the administrative costs shall be assigned to the administrative costs of the Ward Planning Committees
- b) Twenty percent of the moneys available in the fund shall be allocated to Countywide projects as follows:-
- i. Ten percent shall be assigned to Climate Change Awareness Activities;
 - ii. Twenty percent shall be assigned to County specific research and development; and
 - iii. Seventy percent shall be assigned to county wide development projects
- c) Seventy percent of the moneys available in the fund shall be allocated to projects from the wards approved by the County Planning committee; and
- d) Moneys not spent at the end of any financial year shall be retained in the fund for uses allowable under this Act.

Sources of the Funds

5. The Fund shall be financed through:-
- a) Moneys appropriated annually by the County Assembly constituting a minimum of two percent of the annual development budget of the County;
 - b) Moneys received from the National Climate Change Fund;
 - c) International Climate Change Finance received by the County directly or through the National Designated Authority, National Implementing Entity or other agency;

	<ul style="list-style-type: none"> d) Donations, endowments, bequests, grants and gifts from individuals, public and private entities local or foreign; e) Charges, fees, levies or fines received by the county government in connection with activities that adversely impact on climate in the County; and, f) Interest and any other money that may lawfully accrue to the Fund in any form.
County Climate Change Finance Framework	<p>6. (1) The Executive Committee Member in consultation with the Executive Committee Member for the time being responsible for matters of the County Treasury shall publish a Climate Finance Framework for the County annually.</p> <p>(2) The Climate Finance Frameworks shall be developed through a consultative process spearheaded by the Steering Committee.</p> <p>(3) The Climate Finance Framework shall address the following issues:-</p> <ul style="list-style-type: none"> a) the status of Climate Change Awareness in the County; b) context specific items in the National Climate Change Policy that are applicable to the County; c) the impact of climate change in the County; d) human activities in the County that may contribute to Climate Change; e) enforcement of climate change related county laws and community bylaws f) projects that are relevant in the County with regard to Climate Change Adaptation and Mitigation and the anticipated impact; and Any other emerging climate change issues. <p>(4) The Climate Finance Framework shall be aligned to the County Planning Framework and shall be forwarded to the County Assembly for approval.</p>
County Climate Change Fund Regulations	<p>7. (1) The Executive Committee Member for the time being responsible for matters of the County Treasury shall, in consultation with the Executive</p>

Committee, and with the approval of the County Assembly develop Regulations for administration and management of the Fund

(2) The Regulations made under subsection (1) shall provide for the following, among other matters:-

- a) Appointment and removal of the Fund Administrator;
- b) Operation of the Fund;
- c) Eligibility criteria for accessing money from the Fund;
- d) Development of project proposals, application for and disbursement of moneys from the Fund;
- e) Complaints mechanism; and,
- f) monitoring, evaluation, reporting and learning
