MIN 01/CGB/BM/PP/17/02/2026-Preliminaries

The manager called the meeting to order and requested Mr Nyukuri to give an opening prayer.

He thanked the residents for turning up in large numbers.

MIN 02/CGB/BM/PP/17/02/2026-Validation of municipal documents.

The municipal manager requested Mr. Peter juma Nyukuri to present the municipal draft documents to the participants. After the presentantions, the following were the reactions from members of public.

Date	MUNICIPAL DOCUMENT	CONTRIBUTIONS	RESOLUTIONS
17/02/2026	Municipal Integrated Development Plan (MIDP)	Document certified as sufficient in content and structure.	Participants satisfied that the Municipal Integrated

			Development Plan was upto mark and sufficient to be adopted as it is.
17/02/2026	Environment risk profile and intervention framework	Document certified as sufficient in content and structure.	Participants satisfied that the Environment risk profile and intervention framework was upto mark and draws a clear roadmap to steer the municipality forward in terms of addressing environmental risks and challenges within its areas of jurisdiction.

17/02/2026	Revenue data bank	Document certified as sufficient in content and structure.	Participants were generally contented with the threshold of areas and revenue streams that the revenue data bank addressed.
17/02/2026	Strategic development plan	Document certified as sufficient in content and structure.	Members present were satisfied that the Bungoma municipality strategic plan addresses areas of concern and gave broad strategies that the municipality will adhere to in order to achieve its mandate and objectives to the citizenry.
