S/N O	THEMATIC AREAS		DESCRIPTION
1	Municipal functions	● the functions are not fully transferred	❖ All functions to be transferred to Bungoma Municipality as per the Urban Areas and Cities Act of 2011 (amended 2019)
2	Municipal urban projects	● More funding needed to be allocated	❖ Development projects to be given priority especially storm water drainage, urban roads and construction of more modern markets.
3	Control of urban fires	●	❖ Municipality residents to comply with fire regulations in buildings.
4	Municipal funds and budgetary allocation.	● Is currently underfinance	❖ That the municipality should be allocated enough funds as to budget for proper service delivery. ❖ Capital budgets financed must be effectively managed and fully completed. ❖ The municipality board must manage all funds allocated very transparently and accountable.

CONTENT SUMMARY

- That the municipality personnel should be increased for effective performance.
- The sewer line system should be fully enhanced within the municipality.
- The municipality to do proper baseline for effective planning.
- To do daily follow ups/monitoring on emerging water issues.
- The Municipality board to restructure and address street families effectively whereby they can employ the pull and push strategy or establish rehabilitation centres.
- The municipality to generate/publish a policy on liquid waste management
- The land of Kanduyi market should be fully procured or acquired by the municipality.
- Chepkube market should be well established.
- That all feeder roads within the municipality should be well gravelled/ constructed for ease of movement.
- The municipality should put proper structures so as to stop any open dumping.

- 1. The following is a list of the most important factors which influence the rate of the reaction between hydrogen and oxygen.
- 2. The rate of reaction is affected by the concentration of the reactants.
