TO: CHIEF OFFICER
WATER AND NATURAL RESOURCES

**RE: REQUISITION FOR THE TENDER OF THE WATER AND RIG POLICIES
CONSULTANCY SERVICES**

Reference to the above, the submission request is made for the consultancy services to review the existing policy documents which had been tabled on the floor of County Assembly before. The consultant is expected to review the existing documents and come out with reviewed documents and align them to the available instruments:

- Constitution of Kenya 2010
- Water Acts 2016 & 2023 and new Acts
- Climate resilience adaptability
- WASREB guiding regulations

The budget for the service is ksh. 5,000,000 (Five million)

This is in preparation for enactment of the guiding regulation in the water sector after the policy formulation and approval.
The TOR and Bills of quantities have been provided.

Thank you.
